Other \_\_\_\_\_

Principal place of  
practice

Briefly describe your professional background, career goals and other relevant experience.

Please outline the specific skills you would bring, or contributions you hope to make to the Avant ECDAC?

What do you see as the most pressing issues facing early career doctors over the next few years? Why?

The ECDAC is formulating a new agenda. Do you have any ideas about areas the ECDAC could focus on, or how Avant may be positioned to better support early career doctors?
