Practice
Solutions

A suite of smart solutions that help improve performance, and help your practice grow.

PracticeHub Platform

Managing your healthcare business is now easier than ever with PracticeHub, your cloud-based platform that streamlines your healthcare business' policies, procedures and documentation all in one place.

Medical & Surgical Billing

Stress free medical billing management. We provide end-to-end medical and surgical billing support assisting you to reduce missed payments and boost income by managing unpaid invoices and claim rejections.

Practice Management Consulting

Our experienced team can help you minimise risk and maximise business opportunities, with high-level strategic planning, in-depth performance measurement and financial analysis, and HR management support - enabling you to grow your practice.

Virtual Administration & Reception

Our personal, prompt and professional staff increase reception capabilities for busy GP clinics, single doctor specialised practices, large multidisciplinary services and everything in between. Supporting you and your patients when and how you need it.

VoiceBox Intelligent Transcription

Fully secured, our data protected VoiceBox IT app provides accurate and on-time medical transcripts, and securely stores them, anytime, anywhere. Eliminate in-house handling and costs and overcome surges in workload or staff shortages with our pay-per-use services.

Bookkeeping & Payroll

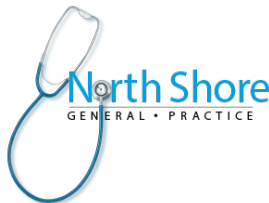

Professional bookkeeping and payroll services tailored for medical professionals to help simplify managing the financial health of your medical practice. Our experts can help manage the financial complexities of your practice and grow with your business needs.

Avant Practice Solutions was absolutely pivotal to the ease of navigating through our accreditation process.
