

Avant for practices

Xaida

Your AI-powered medical receptionist

No hold music. No delays.

Just responsive care that builds trust

Why choose Xaida?

Increased patient satisfaction

Xaida is readily available on the other end of the line. With no wait times, your patients have the confidence to know they're cared for.

Built on a wealth of patient calls

Developed from real conversations, Xaida understands medical enquiries and handles them with care, escalating to your team when needed.

24/7 phone support powered by AI

With Xaida, there's no downtime. Powered by agentic AI, Xaida connects to your practice management system, so patients can book appointments when it suits them.

Built on medical standards

Designed to align with the RACGP Standards and other healthcare frameworks to meet the unique needs of general and specialist practices.

Trust and compliance embedded into the core

Built with medical-grade security and full compliance with Australian Privacy Principles, giving you peace of mind.

Goes beyond booking

Xaida can also help answer common patient questions about your practice – from directions and parking to general enquiries – delivering support that extends beyond standard appointment booking.
