Billings+

Implement strategies to save time, regain lost revenue and enjoy financial control

Our smartphone Billings+ app and expert Billings+ team provide end-to-end medical and surgical billing support. We manage unpaid invoices and claim rejections to help you reduce missed payments and boost income. We can process no gap, known gap, private, third party, bulk bill and DVA claims on your behalf and assist you in registering with health funds.

Hassle-free health fund registration

We can help you register with all Australian private health insurers.

Low cost, low commitment

Billings+ is fee-per-use. No lock-in contracts or minimum monthly fees. No need to have your own software - we can process your claims in ours.

Reduce paperwork and save time

Centralising your in-patient billing means there is no need to send accounts manually, freeing up precious time.
